

Meet Vixa, a diagnostic tool for your BMW*

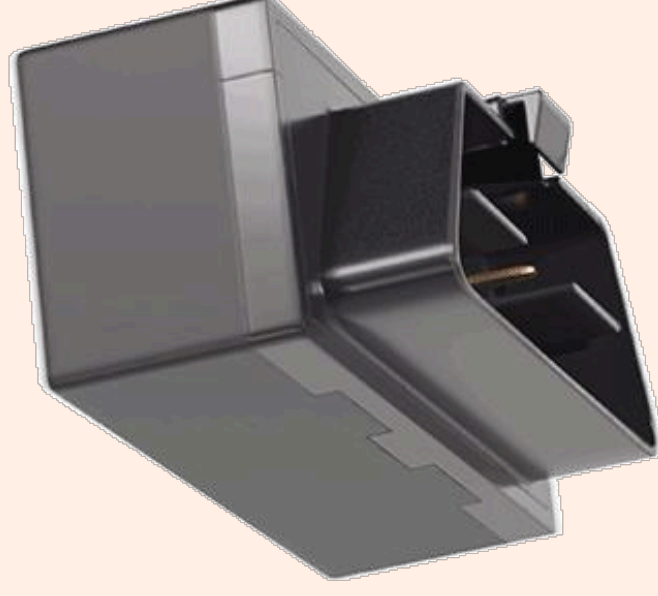

Get started →

Is my BMW compatible?

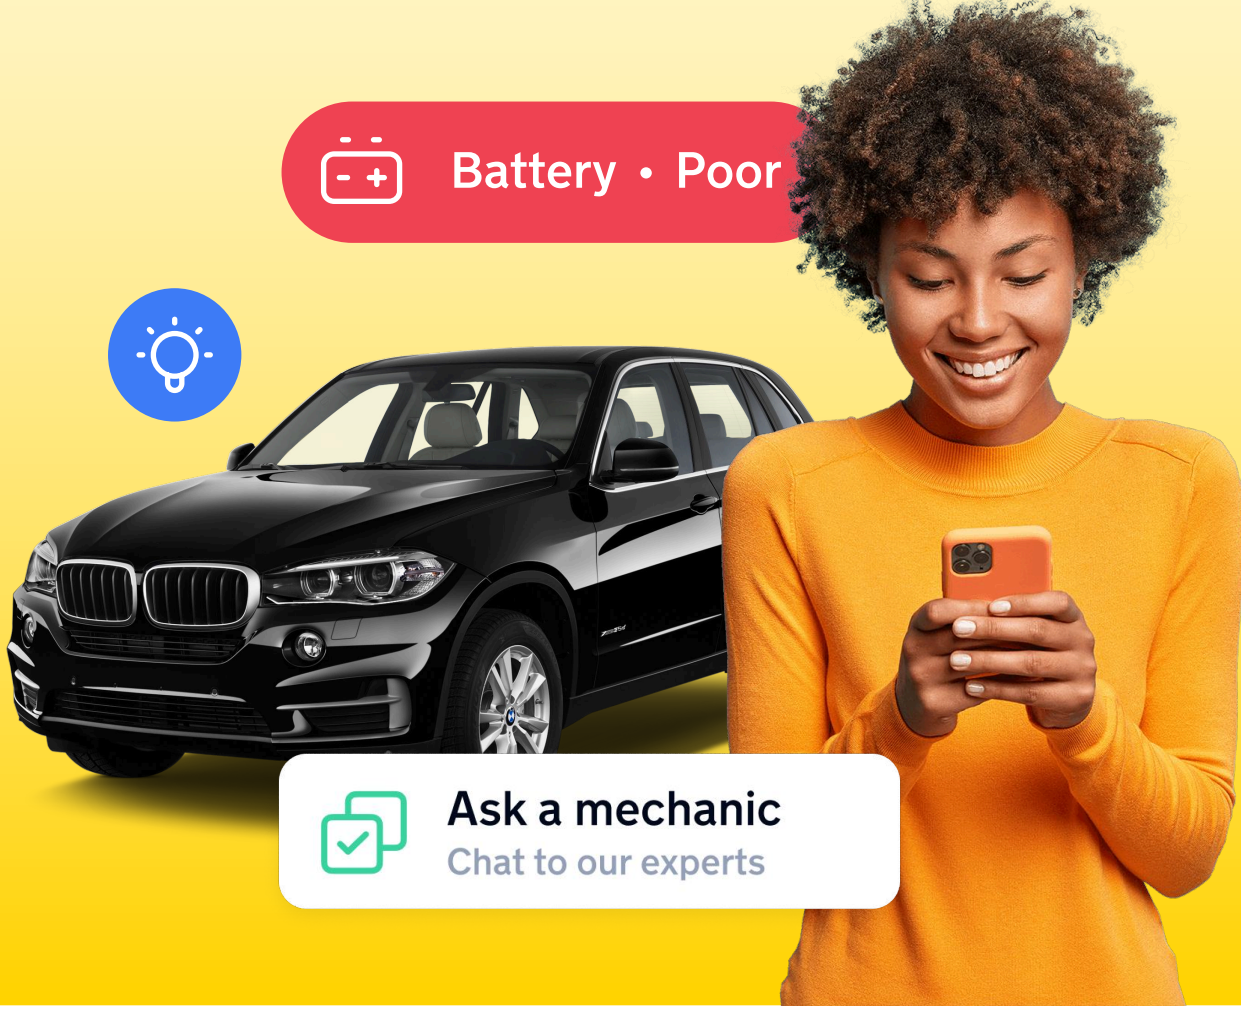

Vixa works with most BMWs from 2001 onwards. Just plug in your free device with no need for manual checks – it monitors in real-time, all the time. Check the app for more features and BMW diagnostics

Get started

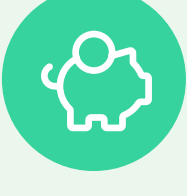

What's wrong with my BMW?

Vixa detects and alerts you to potential issues – and for help and support, message our AA mechanics to help you decode BMW dash lights

Car care, your way

If we detect an issue with your BMW, head to the app to book a Mobile Mechanic* to come to you or get a fix in one of our trusted garages

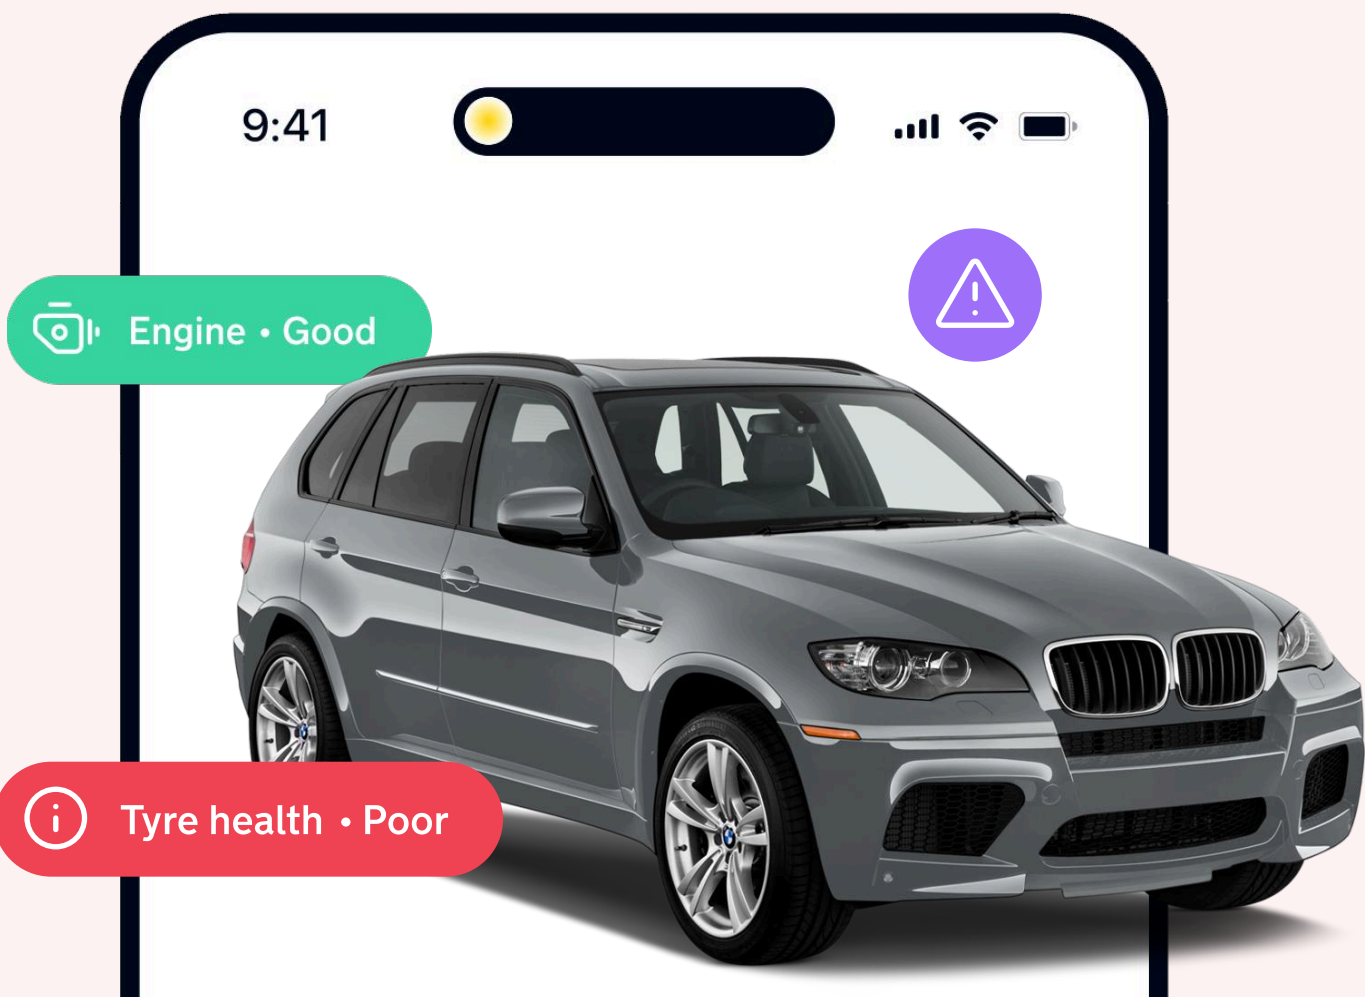

No hidden costs

Keep your budget in your control with upfront pricing and flexible payments

Features

Check tyre health in minutes with our AI-powered tyre scanner, while insights like battery and engine health, driving score, and car locator keep you in sync with your BMW

- Health alerts
- MOT and service reminders
- AI-powered tyre scanner
- Personalised driving insights

Your driving data is safe with us

Vixa gathers data about your car's health to provide you with insights and alert you to any issues. Your data won't be used to increase your car insurance premiums, shared outside of the AA or sold to third parties. For more on how we handle your data, read the Vixa privacy notice

Trusted by thousands of car owners

“

Very handy device and app

The where you parked feature is great. If there's a fault with your car it tells you the problem and give a quote for repair.

Gary

“

Overall the app is great

The Driving Stats feature shows where you are not so efficient and can help to improve your driving efficiency.

Richard

“

Great app!

The Driving Stats feature shows where you are not so efficient and can help to improve your driving efficiency.

Steve

Proactive car care from just £3.99 a month*

Get started

Vixa is available to everyone, it's £3.99 a month for existing AA Breakdown members and AA insurance customers. Or £5.99 a month if you're not an AA member.
